

PERSONAL SWISS 2015 FEEDBACKS

What did you most like?

« I feel very happy about the opportunity to share the time at the booth with you and with all the other coaching colleagues. Thanks to the preparation team, every thing was so well organized. It was really a pleasure to be there with you and take part of your inspiring energy »

« For me, it is worth to repeat it next year. There were so many people interested in what is ICF and the quality standards of ICF. It gave us an interpersonal opportunity to demonstrate the aims of ICF and, therefore, spread the value of coaching work »

« Beatrice, once again, many thanks for your efficient and joyful organization and presence »

« A big thank you to all of you for your time, energy and creativity supporting ICFS and the coaching profession at large »

« On my behalf a big THANK YOU to all volunteers again and to you Bea for leading this project !! »

« Having enjoyed your company yesterday during our presence at the ICF booth at Swiss Personal I would like to thank you for your energy, initiatives, creativity, persuasion capabilities, smiles, friendliness and helpfulness throughout the day »

« Having met the 1st priority to present ICF to the visitors, I as much liked the personal exchanges and the exciting fact we were really able to represent ICF Switzerland thanks to your voluntary presence from: Suisse Romande, Basel, Zurich and Ticino »

« I would like to thank Celine and Beatrice for the excellent preparation of the event »

« Dass wir präsent waren und wirklich interessante Kontakte machen konnten »

« Die Energie, Initiative und Grosszügigkeit der Freiwilligen – ich fand dies der absolute Hit – auch die Präsenz aus der ganzen Schweiz »

« Der Standort des Stands finde ich gar nicht so schlecht; mögliche Interessenten können „frontal“ oder „seitlich“ bedient werden; auch sind ähnlich gelagerte Stände in der Nähe, was die Interessenten verweilen lässt »

« Dass wir nichts verkaufen! Wir stehen für Professionalität und bieten – als sehr gute Idee – Pro bono Coaching an »

« the simple fact of having a presence at Personal Swiss was a highlight and in my opinion a "MUST". EMCC and other Coaching Associations were around the corner, the energy and spirit of the volunteer was really empowering »

What should be different - needs to be changed for another presence?

« Bessere Sichtbarkeit durch 1 (besser 2) Rollout auf der Seite des Standes – verstärkt durch eine kurze, prägnante Aussage zu ICF – wie sie z.B. im unteren Teil des Roll-out steht (leider kaum sichtbar) »

« Unterlagen ergänzen: ICF certified education, short explanation of credentials incl. needs for ACC, PCC, MCC »

« Laptop / Tablet für beide Tage »

« A big TV screen, where we can see the profil and pictures of our coaches, would be very eyes-catcher... »

« I would definitely vote to have a presence again next year and consider other locations conferences to mark a presence and raise awareness (i.e. Berne, Lugano, Geneva etc) »

« Brain storming on ideas on how to make it more attractive and interesting within a tas group including volunteers. Thanks for doing the fair. In my view: important event for CH-D »

« Next time we should also have credential documents and the definition of coaching..... not only the brochure from ICF. – I was asked, if ICF ist the cristian organisation.... Perhaps we should keep attention about this »

« We should invite more HR clients prior to the event, take the floor during conferences on significant HR topics and create the event, such as invite an opinion leader».

Other comments of you that you want to share?

« It was great pleasure for me but it was really noisy. The corner was not bad, because, every body hast o pass »

« Die Präsenz von Board Member müsste aufrecht erhalten, wenn nicht erweitert werden. Es können vor Ort sehr gute Kontakt gemacht werden, da einige ICF Mitglieder in eigenen oder Firmenständen präsent sind »

« Die gute Erfahrung sollte nächstes Jahr wiederholt werden, mit kleinen Anpassungen wie oben erwähnt – natürlich auch von anderen Teilnehmenden »

« Das Wichtigste: die sehr gute Vorbereitung durch Dich Beatrice und durch Celine à BRAVO »
